

## January 2018 Mystery Photo

### Lakeshore Coffee House, 2007 Lakeshore Road

I did say this mystery was not hidden.

There it is, out in the open, on the west façade of the Lakeshore Coffee House at 2007 Lakeshore Road in Burlington. In warmer weather it brightens the day of patrons who enjoy their morning coffee sitting on the patio. The mural is unsigned and we were unable to identify the artist.

The building which houses this coffee house has a very interesting history. 2007 Lakeshore Road was the location of the Hume Theatre from 1930s to 1944.

If you missed our article about the Hume Theatre in the January Gazette, follow this link <http://burlingtonhistorical.ca/wp/wp-content/uploads/media/2018/01/bhsgazette201801.pdf> or just go to the Gazette page on the website and browse around a bit.
