An interesting note – this house was the first home for The Caroline Medical Group, presently known as the Caroline Family Health Team, located on Harvester Road.

The group was founded in 1956 by Dr. Patrick Sweeny along with Drs. Aldis and Nielsen. Dr. Sweeny is a longtime BHS member and often attends our meetings.

“The Caroline Medical Group was one of the first Health Service Organizations in Ontario to operate on a Capitation system of remuneration, providing the services of Nurse Practitioners, Social Workers, Dietitians and Chiropodists. The medical group today remains a teaching practice for McMaster and Toronto universities’ family practice residents.”<sup>1</sup>
